

# Thai Massage & Spa

## Journey of Massages from Around the World

Discover a variety of world massages, including Thai deep tissue massage, aromatherapy, Swedish massage, Ayurvedic massage, Javanese massage, Indian head massage, and shiatsu, all at a single rate based on the duration.

## Our Signature Massage

Heat can promote blood circulation and oxygen transport, quickly relieving muscle pain and tension. This treatment combines a relaxation massage with heated herbal compresses to revitalize your body."

## Hot Stones Ocean and Earth

Our body ritual is achieved through a unique massage that combines 40 volcanic stones skillfully used with essential oils, integrating the elements of the sea and five essential elements.
